Greetings Ministry Leader!

In the times in which we live, it is more critical than ever that the Body of Christ makes an impact in this world with the Gospel of Jesus Christ. Today, I write this letter of support and recommendation for two that I believe God has chosen to play a significant leadership role in leading this charge, Matt and Christen Jacobs of Sow Cincy.

I had the honor of meeting Matt and Christen at the Sow Cincy Vision Cast meeting in August of 2018. Upon meeting and listening to their presentation, I was distinctly aware of the call of God on their lives, their heart for ministering the gospel, and their intentionality in teaching discipleship and evangelism for the building of the Kingdom of God. This happened at a critical point in the ministry of Great St John and I was excited about starting a ongoing ministry partnership with Sow Cincy.

At the end of September through the beginning of October, Matt and Christen joined us at Greater St John and taught two courses. The first was an introduction to discipleship course and the second was an evangelism, sharing your story course. Wow is all that I and others can say in response to the two trainings. The materials and follow along study guide that were shared, the engaging presentation and conversation style teaching, and the wealth of knowledge that we experienced at Greater St John in these two sessions was tremendously transformative for our ministry.

It is evident that Matt and Christen believe that, *“biblical instruction has the power to transform our lives in such a way that each person will live every day on mission for Christ.”* God is using their ministry to unify and transform Cincinnati through the power and authority of Christ. Those who have encountered Matt and Christen of Sow Cincy would be remiss in not sowing into and utilizing this ministry gift.

Humbled by His Grace,

Rami J Pouncey
